

BOX CLEVER

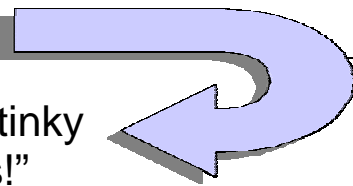

Addition

$$\begin{array}{rclclcl}
 25 & + & 35 & + & \square & = & 91 \\
 46 & + & \square & + & 34 & = & 102 \\
 17 & + & 23 & + & \square & = & 57 \\
 \square & + & 65 & + & 21 & = & 89 \\
 23 & + & 23 & + & \square & = & 70 \\
 43 & + & \square & + & 33 & = & 100 \\
 \square & + & 9 & + & 19 & = & 41 \\
 27 & + & \square & + & 29 & = & 90 \\
 19 & + & 21 & + & \square & = & 77 \\
 \square & + & 52 & + & 19 & = & 88
 \end{array}$$

Subtraction

Wait 'til you see what I've been brewing....
Heh, heh, heh!

"Some really stinky mixed-up ones!"

$$\begin{array}{rclclcl}
 42 & + & 17 & - & \square & = & 44 \\
 22 & - & \square & + & 22 & = & 22 \\
 88 & + & 35 & - & \square & = & 45 \\
 \square & - & 63 & + & 16 & = & 20 \\
 55 & + & 27 & - & \square & = & 51 \\
 100 & - & \square & + & 19 & = & 69 \\
 \square & + & 43 & - & 37 & = & 36 \\
 99 & - & \square & + & 6 & = & 50 \\
 72 & + & 17 & - & \square & = & 71 \\
 \square & - & 35 & + & 36 & = & 79
 \end{array}$$

Fill in the empty boxes in the problems below

It's your turn to be the teacher.
In the spaces below, make up some questions of your own.
Remember to leave one of the boxes empty!

$$\square + \square + \square = \square$$

$$\square + \square + \square = \square$$

$$\begin{array}{rclcl}
 27 & - & \square & = & 8 \\
 \square & - & 39 & = & 18 \\
 43 & - & 18 & = & \square \\
 74 & - & \square & = & 19 \\
 \square & - & 38 & = & 76 \\
 96 & - & \square & = & 63 \\
 \square & - & 28 & = & 19 \\
 75 & - & \square & = & 19 \\
 \square & - & 27 & = & 33 \\
 81 & - & 49 & = & \square
 \end{array}$$

Your turn again.

In the spaces below, make up some questions of your own.
Remember to leave one of the boxes empty!

$$\square + \square - \square = \square$$

$$\square - \square + \square = \square$$
