

PETAL PATTERN

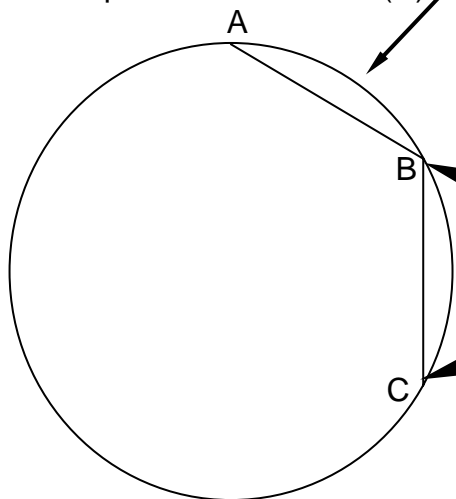

Try to draw this petal pattern.
You will need a pair of compasses,
(to draw the circles), a ruler (or
straight edge) and a sharp pencil.

Follow the steps set out below.

Set the compasses to any size
(about 3 to 5 cms will be fine)

Draw a circle in the middle of the
page. DO NOT alter the compasses

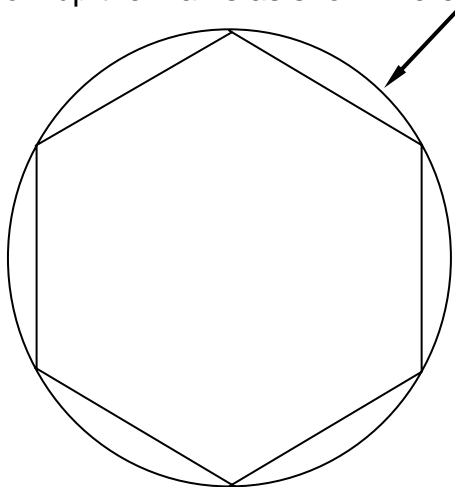

Make a mark on the circle (A).
Put the compass point on mark A
and step out another mark (B).
Put the compass point on mark B
And step out another mark (C)

Mark out the 6 marks on each of
these circles and join up
all the lines.

Colour it!

Continue until you have 6 marks
Join up the marks as shown here.

Keep your compasses at the same size
Draw 6 circles, using the marks as the centres.
You should have something like this.
